FISH EXPORT

Invitation to invest in Maavah Express Pvt. Ltd. to develop fish processing facilities at Noonu Velidhoo and Laamu Maavah

Introduction

Maavah Investment is currently producing fish and fish products to islands of Maldives. We have fish processing facilities at Noonu Velidhoo and Laamu Maavah.

We are now seeking a potential foreign partner to invest in our business to develop and expand our product line to exporting markets such as Sri Lanka, Thailand and Malaysia.

Products

Our aim is to process and export six different types of products. Products will be processed, packed and labeled in our factories. New products such as different varieties of sausages will be introduced to the market in a new future.

Quality is maintained at all stages of production and processing and our own fishing boats are used to ensure that proper standards and procedures are followed during fish catch and handling.

Products:

1. Dried tuna fish
2. Vacuum of dried fish
3. Different varieties of sausages
4. Fish chips
5. Shredded dried fish
6. Sambol

Investment

Maavah Express Pvt. Ltd offer to invest a total of US\$ 196,000.00 for a period of 15 years to develop and expand our business to cater for export market.
